

Chancellor’s Commission for Lesbian, Gay, Bisexual, and Transgender (LGBT) People
University of Tennessee, Knoxville

I. PURPOSE

- a. The Commission for LGBT People is a body appointed by the Chancellor to advise on the planning, implementation, and evaluation of programs, policies, and services at the University of Tennessee at Knoxville (hereafter referred to as “UTK”). The Commission seeks to improve the status of Lesbian, Gay, Bisexual, Transgender, Queer, Questioning, Intersex, or Asexual (hereinafter referred to as “LGBT”)¹ people on the UTK campus.

- c. Recommend and encourage research to assess the status of LGBT people at UTK and compare their status with that of LGBT people at other institutions and agencies;
- d. Assist with campus-wide initiatives related to diversity and creation of a diverse, welcoming, supportive, and inclusive campus climate;
- e. Advise and consult with all UTK administrators, staff, faculty, and students on the needs and status of LGBT people; and
- f. Provide information and support to the campus and community for programs and activities related to LGBT people.
- g. Commission will submit an annual end of year report to the Chancellor by June 1.

III. COMPOSITION

- a. Membership.
 - i. Regular membership: The Commission for LGBT People shall consist of no fewer than 20 voting members, with a proportionate number of faculty members, exempt and nonexempt staff members, and students, representing the various colleges, schools, and administrative units of UTK. Alumni and members of the larger Knoxville community may also serve on the Commission. Each of the appointees may serve multiple years on the Commission, as determined by their director, department/unit head, or chair of the group they represent.

¹ The Commission for LGBT People recognizes that an acronym that includes all identities is impossible because, by naming the identities contained within the acronym, those identities that are not named are excluded. The usage of the “LGBT” acronym does not seek to exclude other identities named within “LGBT,” and the Commission includes, accepts, and represents both cisgender, heterosexual individuals as well as individuals of all gender, sexual, and romantic minorities, regardless of how an individual’s identity is named. The Commission uses this acronym “LGBT” throughout this document as a means of convenience for writing.
