RESOLUTION TO THE UTK FACULTY SENATE - Support for Benefit Equality at UT

Presented by the Benefits and Professional Development Committee

Whereas, members of the Lesbian, Gay, Bisexual, and Transgendered (LGBT) Community contribute daily to the life of the university, and

Whereas, the University of Tennessee is an EEO/AA/Title VI/Title IX/Section 504/ADA/ADEA institution in the provision of its employment programs and services providing equal consideration for employment without regard to sexual orientation or gender identity, and

Whereas, all employees of the University of Tennessee should enjoy the benefits associated with their employment without regard to sexual orientation or gender identity, and

Whereas, such benefit equality will strengthen the University of Tennessee’s ability to attract and retain stellar faculty and staff in accordance with the VolVision / Top 25 efforts, and

Whereas, such benefit equality will promote a climate of civility on the University of Tennessee campus, and

Whereas, the University of Tennessee Faculty Senate has a history of supporting the University’s LGBT Community, including passing a resolution supporting the inclusion of sexual orientation as a protected category in the University of Tennessee’s personnel policies in 2003, and passing a resolution supporting the creation of a “safe zone” in 2008, and

Whereas, the University of Tennessee provides some benefits to LGBT partners (a dual career couple assistance program (“spousal hire”), access to recreational facilities and library privileges), as documented in the addendum Domestic Partner Benefits at the Top 25 Public Universities and

Whereas, the University has made progress in terms of support for LGBT people, including establishing the Chancellor’s Commission for LGBT People (2006), implementation of the Safe Zone Program (2009) and the creation of OUTreach: LGBT and Ally Resource Center (2010)

Therefore, be it resolved that

The University of Tennessee Faculty Senate supports benefit equality, where all benefits associated with employment at the University of Tennessee are extended to all employees as appropriate to their employment status, without regard to sexual orientation or gender identity, and that

Benefit equality specifically includes, but is not limited to:

1. health insurance benefits for the domestic partners of LGBT employees on a basis equal to those extended to the spouses of other employees, and
2. family leave benefits for LGBT employees for the care of their domestic partners and children of their domestic partners on a basis equal to those extended to other employees, and
3. educational assistance (fee waiver) benefits for the domestic partners and dependent children of LGBT employees on a basis equal to those extended to the spouses and children of other employees.

The faculty senate requests written responses from Chancellors Cheek and Arrington on the Administration’s plans for progress on benefit equality, with specific reference to the 33 items listed in the Addendum.

Call for Papers

2015 UNC Asheville Queer Studies Conference April 2-4, Asheville, NC
“Navigating Normativities, Queering Institutions and Challenging Inequalities”

Abstract Deadline Monday, November 24, 2014

The UNC Asheville Queer Studies Conference, a biennial event established in 1998, attracts an international audience of activists, academics, and artists who showcase a range of creative and scholarly pursuits related to the investigation of genders and sexualities. All GLBTQ-related proposals will be considered. We invite a diverse representation of approaches and participants, including faculty, staff, graduate students, community members and undergraduate students. All formats will be considered, including paper presentations (15 minutes), panels (60 to 75 minutes), workshops, exhibitions, film screenings, and performances. Paper presentations will be organized into groups of 3 to 4.

Elaborations on the theme Navigating Normativities might include:

• what gets lost with gained rights?
• queer gains and losses in the classroom, health care, military, and workplaces
• navigating legal, cultural, educational, professional or faith-based discourses
• navigating race, disability, ethnicity, class
• queering gender borders, identities, spaces
• navigating our queer bodies through straight spaces
• transgender, gay, lesbian, bisexual and/or intersexed action or voices
• queer activism: measured means and/or outcomes
• investigations of shame, privilege, home, space, reclamation
• queer youth/older adults: lived experience and activism
• queer representations, expressions and cultures in art, literature, craft, and performance

In addition, we are issuing a special call for papers, presentations or performances on the theme of Black Mountain College. Inquiries and submissions for this special theme should be sent to Dr. Brian Butler, bbutler@unca.edu.

Panel proposals, paper abstracts, and proposals for art exhibitions, workshops, film screenings and performances are due as a PDF or .Doc file attachment no later than Monday, November 24, 2014.

Please email individual paper abstracts (up to 500 words), panel and workshop proposals (up to 700 words) and other proposals (up to 1000 words when appropriate include images, samples, or clips). All proposals should include a title for the presentation, panel or performance, type of format preferred, length of time preferred, audio/visual and accessibility needs as well as full names, email addresses and affiliations of all the authors. Send your completed abstract/proposal to: qsconf@unca.edu.
Registration: To register, please fill out and mail the registration form. All speakers must register for the conference. Registration (due February 23, 2015) is $100 for faculty/professional, $80 for graduate students/non-profit professionals, and $60 for undergraduate students/unemployed or underemployed. Late registration (after February 23rd) is $125 for faculty, $100 for graduate students, and $70 for undergraduate students (includes breakfasts and lunches).
