I. PURPOSE

The Commission for LGBT People is a body appointed by the Chancellor to advise on the planning, implementation, and evaluation programs, policies, and services at the University of Tennessee at Knoxville (hereafter referred to as "UTK"). ¹ The Commission for LGBT People recognizes that an acronym that includes all identities is impossible because, by naming the identities contained within the acronym, those identities that are not named are excluded. The usage of the "LGBT" acronym does not seek to exclude other identities named within "LGBT," and the Commission includes, accepts, and represents both cisgender, heterosexual individuals as well as individuals of all gender, sexual, and romantic minorities, regardless of how an individual's identity is named. The Commission uses this acronym "LGBT" throughout this document as a means of convenience for writing.
